March Reading Month at HES

March is almost here, and so is our school-wide celebration: March is Reading Month! Throughout March, we'll be promoting the joy of reading at school and at home. When families join in by reading together, students are more likely to value reading as well. More details will be sent home soon.

Reading is a foundational skill for all learning, and we work hard to ensure every child becomes a strong, confident reader. From kindergarten on, we closely monitor each student's reading progress. If a child experiences difficulties, we create a reading improvement plan tailored to their needs.

These plans may include:

- Extra small-group instruction
- Regular progress monitoring
- A read-at-home plan

All support takes place during the school day and will not replace regular reading instruction.

We look forward to a fun and engaging month of reading!

2026-27 Kindergarten Registration

We're excited to welcome our next group of Gremlins! Kindergarten registration for the 2026-2027 school year will begin in March. Children who turn five on or before September 1, 2026 are eligible to join our Kindergarten or Young 5's programs.

If your child will turn five between September 2 and December 1, 2026, you may apply for an early-entry waiver so they can begin school this fall. We're happy to help answer any questions—just give us a call at 482-0456 ext. 3000.

And a quick reminder: children currently enrolled in Young 5's will be automatically registered for Kindergarten. We look forward to welcoming all of our new students!

Please help pass on this information to any parents you know with Kindergarten age children. Thank you!

A Positive Climate and Culture

“Every Student. Every Day. Whatever it takes.” - Jimmy Casas

At Houghton Elementary, “Every student. Every day.” is more than a motto — it guides everything we do. Through Capturing Kids’ Hearts, The Positivity Project, and our T.E.A.M. behavior system, we build strong relationships and a safe, supportive environment where every student feels valued and ready to succeed.

The Positive Project

In February, Houghton Elementary will focus on four Positivity Project character strengths: Forgiveness, Love, Cheering Others’ Success (OPM), and Humility.

- **Forgiveness:** Learning to let go of mistakes and move forward in a positive way.
- **Love:** Showing care, kindness, and appreciation for others through everyday actions.
- **Cheering Others’ Success (OPM):** Celebrating classmates’ achievements and building a supportive school community.
- **Humility:** Recognizing strengths without bragging, being open to learning, and showing gratitude.

Classrooms will explore these strengths through conversations, activities, and stories. We look forward to a month of positive growth for all our students!
